Preface

This record contains the Sangamon County Alms House, Buffalo, Illinois records of Inmates of the Sangamon County Poor Farm from September 1888 through November 1897 (original record was donated by Carey L. Bales to the Sangamon Valley Collection of Lincoln Library).

This information was recorded in several columns:

30.00

Column #1 indicates the admission date.
Column #2 indicates the inmate's name.
Column #3 indicates the inmate's age.
Column #4 indicates why inmate is here
Column #5 indicates the place of nativity
Column #6 indicates the from whom received.
Column #7 indicates the how disposed of; to whom disposed of; and remarks.

Frequently, the inmate's name may vary from month to month and year to year. The age of the inmate also varies greatly from month to month.

As with any documents of this time period, writing is often difficult to decipher, or names have been spelled phonetically; no attempt has been made to correct the spellings. This transcription has been provided by Shirley Carroll Fuhrmann and Norma Jean Krohe Wilkinson, at the request of Ed Russo, City Historian, Sangamon Valley Collection, Lincoln Library, Springfield, Illinois. We tried to be as accurate as possible, however, errors are bound to occur.
